Dear Heidi:

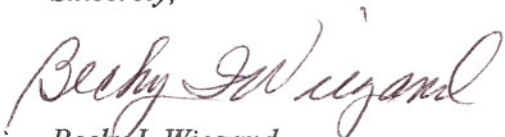

I can't thank you enough for the exceptional 4-day tour which you organized for our group in July 2007, which included dinner on the tall ship in Bay City, dinner at Charity Island, mid-afternoon tea at Matthew 6:26, and dinner and carriage ride at the Elk Lodge in Thunder Bay, only to name a few of our many activities. It was far beyond our clients' expectations.

Two well-seasoned travelers with our group stated that it may have been the best tour they had ever been on, and several said the tour only got better every day. It truly impressed our many new clients on that tour.

We look forward to working with you again in 2008 on repeating this same tour, and also plan to be in contact with you to book the Great Lakes Lighthouse Festival Tour.

Once again, thank you for making this a true pleasure for our clients!

Sincerely,

Becky I. Wiegand
